Saludos Spanish Program
Beginner PK-1st

¡Saludos! Greetings to the Beginner Spanish Program!

This program is designed to introduce your child to the basics of the Spanish language in a fun and interactive way. At this beginning level, students will learn the Spanish alphabet and letter sounds, colors, numbers, shapes, greetings, etc. Your child will develop not only their Spanish vocabulary, but their English vocabulary as well, as they learn to associate the two. My goal is to spark an interest and love for a language that is increasingly becoming more prevalent in our society and hopefully interest them in foreign language studies in the future. The fee includes the cost of the program for the entire school year, all materials, supplies, and an LC Saludos Spanish Club t-shirt that may be worn on the student's assigned meeting day (see schedule below). **Email questions to: mrscarrera1@gmail.com.**

Please complete and return this form to Lake Castle no later than **Monday, August 5**.
