

# Lake Castle Lapbook Course

**PURPOSE:** The Lake Castle Lapbook Course will meet to read and discuss various books of literary significance. After reading and discussing books, the club will create lapbooks-practicing the ability to synthesize and understand the values contained in each book.

Whether your child is a "bookworm" or not, this club is a great tool for reviewing and practicing important literary skills! Literary skills to be practiced include: summarizing, main idea, theme, vocabulary, sequence of events, symbolic meanings and relating the story to real life situations. The meaningful discussions that evolve in Lapbook Club are second to none!
